### **DETAILED ACTION**

Applicant's arguments, see paper, filed 8/18/06, with respect to the rejection(s) of claim(s) 23-25,27,28 under 35 USC 102 have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of cited below.

- I. Rejection of claims 23-25,27,28 under 35 USC 102 as being anticipated by Beltramo or Calignano will not be maintained in light of Declarations filed 8/18/06.
- II. New Rejection

#### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 23,24,28 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 23 line 6 the third structure is unclear in terms of what the substituent "C<sub>4</sub>H<sub>2</sub>OH" defines.

In claim 24 line 4 the third structure is unclear in terms of what the substituent "C<sub>4</sub>H<sub>2</sub>OH" defines.

In claim 28 line 5 the third structure is unclear in terms of what the substituent "C<sub>4</sub>H<sub>2</sub>OH" defines.

***Claim Objection / Allowable Subject Matter***

Claim 25 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 27 is allowable. The prior art does not teach or suggest invention comprising AM404.

Attorney was unable to resolve structure inquiry on November 8, 2006 during a telephonic conversation.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
